<i>Calendar</i>	10

As I look ahead at the May calendar, the next big event in the life of Faith is Confirmation Sunday on May 21. It is clearly a big day in the faith life of the young adults confirming their faith, but it can be a big day for all of us.

What is confirmation? When these young people were baptized, usually as infants, certain promises were made by their parents and sponsors as part of the baptismal sacrament. They promised to bring this child “to services of God’s house, teach them the Lord’s Prayer, the Creed, the Ten Commandments...place in their hands the Holy Scriptures and provide for their instruction in the Christian faith.” We asked them in front of the congregation and in the Lord’s house, “Do you promise to fulfill these obligations?” And the parents and sponsors answered, “I do.” Since that day the parents of our confirmation students HAVE done as they promised, mostly by participating as a family in the educational ministry of Faith Lutheran Church. So our confirmation students now have an effective working familiarity with the Lord’s Prayer, the Creeds, and the 10 commandments. They can find their way around the scriptures and they have a good start at understanding the Christian faith from a Lutheran viewpoint. They have done well. And I am proud of this group of young adults.

Just before baptizing the babies we turn to the parents and say: “I ask you to profess your faith in Christ Jesus, reject sin, and confess the faith of the Church, the faith in which we baptize. Do you renounce all the forces of evil, the devil, and all his empty promises?” They answer, “I do.” (In the newer hymnal they say, “I renounce them.”) And then we ask them questions, for which the answers are the words of the Apostles’ Creed. And then we baptize the baby.

What happens in confirmation is that the baby, now grown to young adulthood, “confirms” for themselves the profession of faith made over them. On their own behalf they renounce the devil and profess their faith in God the Father, Son, and Holy Spirit. Before confirmation, the primary responsibility for the faith life of that young person rested with the parents of the young person. In confirmation the young person takes primary responsibility for their own spiritual life. It is a big step toward adulthood. Two points about this.

First, did you notice all the “I do” statements in baptism? It ought to remind you of a wedding service. A wedding ceremony is when two people and God willingly enter into a covenant relationship, affirmed by a congregation of witnesses. Confirmation is also the beginning of a covenant relationship except with one person entering the covenant with God, also affirmed by a congregation of witnesses. When a married couple attends a wedding it can be very romantic. They hear the words and, in listening to the words that had been spoken over them many years ago, they renew and affirm their own marriage covenant vows. Confirmation can be like that. We hear the young people professing their faith, and we say “Amen” to that faith and renew our faith and resolve to attend to it more. It is not just for them, it can be for us too.

The second point is that these young people take PRIMARY responsibility for their faith life but we are still in the mix. We at Faith Lutheran are the main support system for their spiritual journey, just as we are for each other. The journey is tough, but nobody travels alone. Let us be there for each other, now and always, Amen.

### TO MY FAITH FAMILY AND FRIENDS

Thank you for the many prayers, concerns, cards and thoughtful messages I have received during my recent stroke in January and my successful heart surgery to remove a benign tumor in my heart that took place on Good Friday. Your prayers have helped me face surgery knowing that God was with me during this stressful time. I hope to be worshipping with you soon as I begin to heal.

Thank you,  
Cheryl Domrath

Children enjoyed their own message Easter Sunday.

It was a joyous Easter morning.  
God is Risen.  
He is Risen Indeed!

### Members and Guests of Faith Lutheran Church

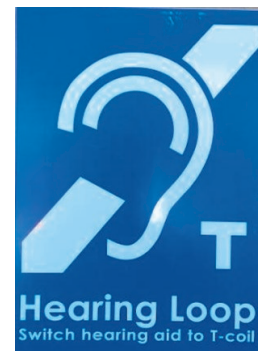

Because of a generous donation from a member of Faith, we have now installed a hearing assist system known as a “T-Coil” system. This system is designed to make it possible for those who have a hearing impairment or deficiency, to be able to enjoy the entire worship by aiding in your ability to simply hear the service. This is accomplished in one of two ways:

**First**, if you currently have hearing devices and they are T-Coil capable, once your T- Coil button is pushed, your current hearing aids will receive all the church’s sound that is coming out of our sound system directly to your device. It will be like having a speaker in your ear.

**Second**, if you do not have a hearing device, or its not T-Coil capable, we do have two transmitters with a head set you will be able to use, and by placing them on yourself, the sound system will be transmitted to this headset, as yes you will be able to hear the entire service.

Those of you who currently have a hearing device, check with your audiologist to see if your device is compatible with T-Coil, and how to activate. Those who do not have a device or have one that is not compatible but wish to use the system, should check a transmitter out with the head usher, and at the end of service return to the usher. The ushers will activate and show you how to use it. Again, we want you to feel free to use this system as it should hopefully enhance the service for you. A **HUGE THANK YOU** to our member who made this possible.

Any questions please don’t be afraid to ask as we want you to be able to enjoy the entire service. Universal signage of “T-Coil” system is placed on entrance doors so guests know we have this system. Please share this information with your friends as well.

## Faith Lutheran Church Minutes— March 20 2023

Pastor's Report: Klessig funeral was well attended and went well. Visionary event went well – another event may be needed to pick up where we left off.

Housekeeping Item: Erin showed pictures of two options for playground equipment – a \$10,000 and \$20,000 options. A motion was made and carried to purchase the \$10,000 playground equipment option with funds received from Robert Onkka memorial. Pastor suggested installation of a fence around the playground to provide more safety for children due to potential of running into the road.

New Business: **Consolidate meetings to one night.** Pastor requested scheduling all meetings on one night. It was decided to request that all Boards/Committees schedule their regular meetings on the first Monday or first Wednesday of the month.

**Easter postcards and postage:** A between-meeting motion was made and carried by email to fund, outside of the Evangelism budget, printing and mailing of a postcard providing awareness of Faith's holy week service/event schedule. Members of the Council also provided their vote by email. A motion was made and carried at the March meeting that the funding for the postcard be taken from Expanded Ministries memorial fund.

**T-Loop hearing assistance project:** DRS Sound Inc. from Kiel came to assess which hearing assistance equipment would work best in our sanctuary. Wires would be installed 12 feet from the floor on side walls in the sanctuary at a cost of \$5,450. A member of FLC agreed to pay the entire cost to purchase and install the T-Loop hearing assistance equipment in the sanctuary. Two receivers are included in the quote. If additional receivers are needed, they would cost \$125 each. DRS Sound Inc. assured there will be no interference with the sound or video systems, but there is potential to have interference with a bass guitar. A quote was also given for purchase and installation of the T-Loop hearing assistance equipment in the Gathering Space, which would have a cost of \$7,850 and would be installed in the ceiling. It was decided to wait to see how well the equipment functions in the sanctuary; and if reaction is positive, then revisit whether the equipment should also be installed in the Gathering Space. No funding has been promised to cover the cost in the Gathering Space. A motion was made and carried to hire DRS Sound Inc. from Kiel to install the T-Loop hearing system in the sanctuary.

**Replacement of cables for Praise Band equipment:** Cables are getting old and worn and have been repaired to allow continued use. To replace all the cables we currently have, it will cost \$264.75. Old ones could be kept for spares. A motion was made and carried to purchase new cables to replace all the current ones being used by the Praise Band.

**FLC Donated Property Policy:** Bill prepared a policy for handling property donated to Faith Lutheran Church. The policy indicates that property with a value of \$250.00 or more needs to come before the Council for acceptance. Once donated, the item becomes the property of FLC & the church is responsible for maintaining & insuring the property if needed, and FLC may decide if it is time for disposal. A motion was made and carried to adopt the donation policy as prepared by Bill Riesterer.

Council representative reports:

**Lay Ministry** – *Joyce Sorenson*: Joyce contacted John Onkka to thank him for the painting donation from the Robert Onkka estate.

**Fellowship** – *Marilyn Robley*: Marilyn asked if anything was needed from the Board of Fellowship for Confirmation. Erin reported that the Board of Education will be responsible for bringing a cake, so the Board of Fellowship duties will be the same as any other Sunday.

**Property** – *Mark Zutz*: Shed project is ongoing – working on design and location. Current plans are to build the shed as a school project or by members of FLC. Existing shed will be sold. Ice was building up on upper level & has been taken care of.

**Christian Education** – Larry and Bridget: 8 Confirmation students, 7 mentors, Pastor Dan, and Larry were invited to the Sheboygan Synagogue for a worship service and meal. May 7<sup>th</sup> – Confirmation interviews – students will be prepared for their interviews by being informed of what type of questions will be asked ahead of time. Confirmation is May 21<sup>st</sup>. VBS is June 19 – 23<sup>rd</sup> with the theme “Carnival” and Friday night there will be a carnival held outside and dinner will be served for VBS attendees and their families. Sunday School children toured the pantry and would like to hold a noisy offering on all Sundays in April to help fund the pantry. A temple talk will be done to make congregation aware of noisy offering ahead of time. A motion was made and carried to allow Sunday School youth to hold a noisy offering all Sundays in April. Bridget recruited new members for the Board of Education. An Egg Hunt is being planned for Palm Sunday.

**Youth and Family Ministry** – *Erin reported in Gretchen's absence*: Anderia is doing a Canvas painting event a Kids Night Out on April 21. A family event will be held in May, which is still in the planning stages. An Easter Breakfast will be served between services on Easter Sunday.

Close of Meeting: Having completed all business, the meeting was adjourned at 8:30 pm. Meeting was closed with the Lord's Prayer. Next Meeting: April 17, 2023. Devotions – Joan Pritzl
