### The Uniqueness of Church

I am an introvert who has learned how to somewhat act like an extrovert. A lot of pastors are this way. For introverts, gatherings of people are stressful, but church, by its very nature is a gathering of people. So I am always appreciative when people are brave enough to come to a church they have never visited before.

They are brave, but if someone has entered the worship service, said the responses, read out the prayers, listened to the scriptures and the sermon, sung the congregational hymns, passed the peace, passed the plate, waited in line, received Holy Communion, and sung a couple more songs with us... well then you will be okay. All that time we have been together has let us relax a little. So I guess I am not surprised, when you shake hands with me at the back, that you feel fine about going and sitting down (with people!) to eat some cookies and milk (even chocolate milk!), or donuts and coffee. And have a nice conversation (with people!). Without much anxiety. It is fun.

Church is an unusual place. It is rare to be asked to sing anywhere in our society besides church. Usually at church we also have a real live musician performing. Only rarely does this happen elsewhere. Sporting events have the national anthem, but few spectators sing with the soloist. Some teams have a fight song that the fans sing, but it is only the one song. Come to church regularly and you will learn hundreds of tunes. If you go to a tavern with karaoke you might sing many songs with many people, but it seems like it takes alcohol encouragement to get people to do it. In church we simply sing praises to God, inspired by other spirits.

Faith Lutheran is unusually endowed with Art. Our stained glass is particularly notable, as is the architecture with our sweeping roof, and the distinctive bronze pieces by Owen Vernon Shaffer. Unique handmade art objects are not a part of my life anywhere but here at church.

It is rare for all ages and income levels to meet in today's society. But in our church we have a wide range of ages. Plenty of older people, middle aged, younger, right on down to children, even babes in arms. And all incomes.

In church we talk about history, about morality, about "What is the good life?" We wrestle with meanings for our life. We even hear about the shades of meaning in ancient Hebrew and Greek words to find enlightenment in God's words to us. Do we do that anywhere else?

Last week we received a new member and we asked "Do you renounce the devil and all the forces that defy God? ...the powers of this world that rebel against God? ...the ways of sin that draw you from God?" And the new member renounced them. Where else will such questions even come up? Not at the bank. Not at Pick & Save. Not at the hairdresser's.

Decades ago someone wrote about a human need. He said we humans need a "third place." Our first two places are our home and our workplace. We are one way at home and another way at work. He talked about a third place, like the bar in "Cheers" where you do not have your home responsibilities nor your work expectations, a place you can be yourself in a fuller way.

I feel that Faith can be a "third place" for each of us. A place to find ways to make life deeper and more meaningful. A place to experience art and music and "all that's best of tongue or pen." A place to be ourselves more fully. A place to learn how to stop conforming to the world and to live in God's Kingdom.

Have a good summer! *Pastor Dan*

Have you ever wondered why it takes so long to get the Faith Matters? Here's an explanation: Once it gets sent to LPI Publishing (expenses paid by advertisers) via email, then it takes up to 7 days (not including weekends) to get it printed and shipped to Faith. After office processing, it gets distributed via bulk mail through the Post Office. Valders Post Office only receives and sends out mail when the truck comes around 7:30 am daily. So, if the Faith Matters goes to the post office at noon on one day, it gets held until the next morning. Then if you live in areas with a 541 and 542 zip code it goes to Green Bay to sort and comes back to Valders and then is put in your box. If you live in a 530 zip code, etc., it goes to Minneapolis to get distributed. Bulk mail can be held from 3-5 days at the post office in Green Bay and Minneapolis before it gets to your home. Check out our website at [faithlutheranchurchvalders.org](http://faithlutheranchurchvalders.org) to find the Faith Matters before you receive it in the mail or copies can be found at the Information Desk.

**Faith's pantry is in need of the following items before July's open pantry:** Tuna, canned meals, peas, canned potatoes, mixed veggies, brown beans (no green beans or corn please), soup (no chicken noodle), fruit (no fruit cocktail), tomato/spaghetti sauce, bagged noodles (no other noodles besides the bagged), boxed mashed potatoes, dressing, Hamburger Helper, cookies, snack items, granola bars, pop tarts, instant coffee, juice boxes, fruit cups, pudding cups, ice cream cones, ice pops, cleaning supplies, baggies, tin foil, garbage bags, shampoo, laundry and dish soap. Items can be placed in the gathering space in the indicated bins marked Faith's Pantry at the information desk. Thank you. We are still collecting egg cartons but do not want the Styrofoam cartons. Also brown bags that are clean and free of dirt/bugs. Please don't bring items that have been opened or half used! We are not the garbage department. Thank you very much for your continued support!!! -- *Sandy Halverson*

# Lay School Continued...

## Core Classes

**Introduction to the New Testament—** The goals of this course are to gain a working knowledge of the content of the New Testament, a basic understanding of its socio-historical background and an awareness of how the New Testament came into being. The student will develop skills in reading biblical texts while exploring the various Gospel portrayals of Jesus. Students will use the knowledge to grow in confidence in proclaiming the Gospel to others. Students will also explore key theological concepts such as grace, justification, the theology of the cross and stewardship. The instructional method will encourage students to grow in love and excitement in the reading and study of the Bible.

**Lutheran Confessions—** It is now more than five hundred years since Martin Luther posted his 95 Theses. The purpose of this class is to question and wrestle with what does it mean to be Lutheran today? Is "being Lutheran" still important or even relevant? How does Lutheran theology fit and/or contribute to other Christians, other faith traditions, and to the global and secular world? Three desired outcomes from this course are for participant to 1) more clearly establish the why, what and how for their identity, purpose and faith, 2) understand the Lutheran Confessions as a call and guide to actively live out faith in love of neighbor and as a shared action of the Christian community both as an individual and within a congregation, and 3) be able to engage with deeper passion and understanding in worship, service and witness with fellow Christians of other denominations and globally.

**Church History—** "We believe in one holy catholic and apostolic church." Behind those few words from the ecumenical council that met at Nicea in 325 C.E. lies a lot of history from the time of Jesus and the first apostles to the present day. This class will help students understand the basic story line from the Day of Pentecost to the global Church today, albeit from a 30,000-foot view.

## Core classes cont'd

Decisive moments that shaped the Church in profound ways for generations to come will be highlighted in more depth. Students will learn the history of the church includes controversy, heresy, struggle, and abhorrent behavior as well as inspirational proclamation and teaching and exemplary witness and service. Through it all we will rejoice in God's faithfulness in Jesus Christ whose very Body is the one holy catholic and apostolic church.

**Faith and Spirituality (Discover Spiritual Practices)—** The longest journey can be from our heads to our hearts. We may learn biblical facts and Christian doctrines with our heads but struggle to move them into our inner being where we can be loved and transformed by our Triune God. In a welcoming classroom environment, we'll combine Dr. Brame's text with Bible study, prayer, silence, and honest sharing. We'll experience the joy of Christian community as we learn together to articulate our faith and receive God's love for us as individuals and as a group.

## Continuing Education Classes

The subject of Continuing Education courses often encompasses more timely events or dives deeper in to conversations that students are pondering. Completing the Core Program is not a prerequisite for Continuing Education classes. This year's courses are:

**The Poetic and the Prophetic: A Quest through the Psalms and Revelation –** Exploring the Book of Psalms alongside the Book of Revelation, together we will not only grow more familiar with these and other books of the Bible, but we will also let our careful reading of these ancient, ambiguous, and diverse texts be the diving board from which we leap into a better understanding of how scripture acts to lead us to wisdom rather than answers-and how that's great news!

**The Transfigured Church: Refiguring faithful congregations for a new land –** The Church and congregations have fallen on hard times. Declining congregational membership coupled with falling attendance in worship raises authentic concerns for the Church's future. There is a great deal of uncertainty running through our congregations these days. Will there be a church for our children, grandchildren, and the communities where we live?

**Extraordinary Care in Ordinary Times –** Pastoral Care has long been viewed as an entity of the church reserved solely for the clergy. Pastoral Care is really God's ministry that we, both clergy and laity, have the humble privilege of participating in. This class will be exploring how the laity are called into this vocation of providing extraordinary care for a world that is seeking God's presence today.

**Preaching Class—** Preaching is an art so much more than a science. But like all art forms, there are techniques and disciplines to learn that not only make us better preachers, but hopefully more informed listeners. We will look at the component pieces of crafting a sermon as well as delivery, while also reflecting on what it means to preach as an act of faith.

**Offering a variety of courses to meet your needs.**

## Faith Lutheran Church Minutes—May 17, 2024

**Pastor's Report:** Pastor reported on the Synod Assembly, which he attended on May 17<sup>th</sup> and 18<sup>th</sup>. Pastor described the crisis in pastoral numbers in the ELCA church. He indicated that 5 years ago there were 330 students in seminary and in 2024 there were only 125. There are currently 700 openings for an ELCA pastor. To help deal with this situation, the ELCA began Synod Appointed Ministries, which provides training on pastoral duties for lay people who are willing to cover vacant pastoral positions. Our Synod staff members take turns delivering online sermons that may be used by churches during pastoral absences.

**New Business:** Building security/safety policy. The policy was updated with the following changes: The time members should no longer be in the building was changed from 8:00pm to 9:00pm. For safety's sake, it was changed from at least two *people* to two *adults*. Motion made and carried to adopt the Building Security/Safety Policy as prepared and amended. QR code for contributions: For donations, it was suggested to include a QR code in the bulletin to allow donations through a charge card or debit card, since many people no longer carry cash. The QR code could also be put on the website to be used for online donations. There was no opposition to the idea & Julie was asked to complete more research to determine what needs to be done to accomplish this. There was concern as to whether members using the QR code would receive credit for their donations.

**Lay Ministry** – Jennifer asked whether sanctuary lights could be dimmed to allow better screen viewing. Bill mentioned that could be done, but ushers would need to be responsible for that. Since projection was mentioned, Bill reported on options for a new projector. Contrast ratio is important in that it helps the image pop on the screen. The recommended projector has a contrast ratio of 2.5M/1 (800 luminous projector) at a cost of \$13,600. The throw (foot lamberts) of our projector is 99 feet, and the recommended projector works at a range of 80 – 100 feet. Live stream/video volunteers are down to 3 people. It was brought up that perhaps we should offer this as a paid position to try and get more interest. To help the Altar Guild prepare for communion, it was decided to have the first Sunday of each month be kneeling communion at the altar and have all other scheduled communions use the walk through method. An exception will be May 19 for Confirmation when there will be kneeling.

**Evangelism** – The Valders parade is on August 4<sup>th</sup>. Plan is to have a horse and wagon with people on it singing. Members interested in being on the wagon and singing should contact Julie Hartman.

**Property** – Parking lot estimates: \$19,900 for basic services, \$31,300 to include \$11,000 for additional repairs to specific areas. Window project in Fellowship Hall will include installation, but Mark will discuss all estimates received with the Building & Grounds Board before bringing an estimate to Council.

**Christian Education** – VBS – display will be put out for items that could be donated by members of Faith. Will be applying for at least one Thrivent gift card to cover various expenses. Planning a “Coins for Camp” fundraiser to purchase snowshoes for Crossway's Camp. Julie Endries is retiring, so a new Confirmation teacher is needed. Confirmation camp is planned for July 7th-12th for 7th and 8th grade students. They will be taking a bus to and from the camp.

**Youth and Family Ministry** – Highway clean-up was completed on 4/27. Kids Night Out planned for 5/22 was cancelled since no children signed up to attend the event. VBS scheduled 6/17/24 - 6/20/24, looking for volunteers to help that week. July 19th - a summer family event is planned with mini golf at the Manitowoc Aquatic Center from 6-7:30, followed by ice cream at Cedar Crest.

**Faith on Fire** – Highway cleanup on May 8<sup>th</sup> followed by dinner at OT in Valders. Archery event was held on 4/17 at Maribel. May 29<sup>th</sup> - newly confirmed members are welcomed to our regular meeting which will include a campfire and outdoor games.

**Endowment Committee** - Treasurer's & Secretary's reports will be provided to the church office after each Endowment Committee meeting. This month's reports were made available to Council.

Meeting was closed with the Lord's Prayer. Next Meeting: June 17, 2024. Devotions – Joan Pritzl.  
Recorded by Joan Pritzl
