

June 16, 2020

Dear Members of Faith Lutheran Church,

**We are excited** to be reopening worship starting Sunday, June 28 and Wednesday July 1. With all we've been through it will be good to gather together.

**We will meet in the sanctuary** for both Sunday and Wednesday services. We request social distancing by family or other appropriate groups in the pews and that everyone sanitize or wash their hands upon entering the building. We also ask that people refrain from shaking hands.

**We encourage you to wear a face mask.** It is for the safety of others that we do it. We will provide them for those who don't have one. If we wear face masks saying the Lord's Prayer and other unison speaking is safer.

**We will not be singing** but will use the hymn videos like we do for online services. So, we will not be using the hymnals or passing out bulletins. Everything will be on the screen. We also will not pass offering plates but have the offering box available just outside the sanctuary, a half sheet with announcements will also be by the offering box. After the service you may take one if you wish.

**We will not be having Holy Communion.** Doing it safely is very problematic.

If you are over **65** or have an **underlying health condition**, please know that your safety is important to us. You will still be able to watch services online or on TV.

There will be no drinks or treats provided after worship and we ask that you greet one another from a safe distance, no closer than 6 feet. People may socialize after the service outdoors.

Serving Christ better together,  
Faith Lutheran Church Council
