### Big Events in October!

On Sunday, October 1st we are having a second Visioning Event after worship. We mostly listened at the first event, and many previous activities of the church were affirmed. We are already working to reclaim some of those events now, in the post-COVID world. In this second visioning event we will be considering new ideas and some old ideas we have not considered in a while.

On Saturday, October 14th we will be offering CPR instruction to Faith Lutheran and to the whole community. Some time ago I told about the time a church member had a heart attack during my sermon. There was a pretty good crowd that day but it turned out that nobody knew how to perform cardiopulmonary resuscitation (CPR). We'd all seen it on TV, but really did not know how to do it in real life. But one church member, Eulan Zettler, had been taught a form of it when he was a Medic in WWII, he did what he knew and it brought the patient back. We all resolved to never be caught ignorant like that again. When I told the story here, Sue Riesterer was inspired to say, "Let's all learn CPR here too." And the council gave it hearty approval. So call the church office by Friday, October 6 or sign up in the gathering space so we get a good planning number. The local EMTs are teaching the class and we want to train the whole community, so bring a friend.

On Sunday, October 29th, we had this idea... Let's just have a Sing-Along-Sunday. It will take the place of our usual 9 AM service. We'll sing good songs. Have a little special music, maybe the children's choir. And we'll have a minimum of liturgy and praying and preaching. Just a good time. And we separately had the idea that we need to have more potlucks around here. So we combined the idea of the Sing-Along with a Potluck on the same day -to make it really festive. We are calling it the "Fall Song Feast." We will sing and then have a brunch potluck. For a brunch potluck you can bring breakfasty things or more lunchy things, whatever you feel like eating at about 10:30 AM.

We will have other events: a couple of baptisms, First Communion for the 4th graders, Stewardship Sunday, and others that will come up spontaneously.

Come and see!  
Pastor Dan

# Appreciation Service/Dinner

# Installation Service

**Thank You!**  
Thank you all for your hard work and the joyous imagination that you lent to my installation! Sheryle and I were delighted. Bishop Anne, as she rode in the carriage, exclaimed, "This is just the funnest congregation!" I was moved to tears as everyone gathered to bless me in our ministry together. It was a perfect day and a perfect (official) beginning of my pastorate at Faith Lutheran Church. Thank You.  
Pastor Dan

# Faith Lutheran Church Minutes—August 21, 2023

**Pastor's Report:** Provided written report on activities since July Council meeting – visitations & communion, wedding, graveside service, board meetings attended and upcoming events. Pantry will receive the offering from Pastor Dan's installation on September 17. Pastor Dan attended August 19<sup>th</sup> pantry distribution and reported a need to grow the number of recipients, which were 10 in August. He suggested making ourselves known to other area pantries for overflow needs. Attended the Synod "New Pastors" meeting in Appleton. New email address is: pastordanlyman@gmail.com

**Church Directory:** Discussion to determine choice of vendors was based on online reviews and having a vendor who would work with Faith in the traditional method, where photo sessions would be offered at the church. We would submit photos of shut-ins or members living in an elderly care facility, along with those out of the area and unable to be photographed. Motion made and carried.

**New Business:** Bible Study. Pastor Dan reported a good sign-up for his new Bible study and asked if the church would subsidize a portion of the participant cost not to exceed 50% of the total cost of materials, which includes 2 books. Motion made and carried to subsidize 50% of the cost of materials for the Bible study using non-designated memorial funds. Library: The Board of Lay Ministry brought to Council's attention their recent discussion regarding the relevance of keeping the church library. Many items are out-of-date, such as VHS tapes and there have not been books checked out recently. Perhaps there may be a better use of the space? Council discussion included: Historical items should be displayed properly to preserve them. A small selection of more relevant books could be kept on a limited number of shelves. Pastor Dan will go through the books to determine which are still relevant to the ELCA. Books may also be added to the Gathering Space bookshelves. Bridget will go through the children's books. The Board of Lay Ministry will oversee the process. Motion made and carried. Pastor Dan suggested initiating a sing-along service on 5<sup>th</sup> Sundays followed by a potluck lunch. Motion made and carried. Try this on Reformation Sunday to see how it goes.

**Stewardship** – A \$50,000 CD is coming due next month & a \$10,000 CD due in November. Stephanie asked if we should renew these CDs at the current rate, which is approximately 5%. Motion made and carried to renew the current CDs as they become due and add another CD in the amount of \$25,000 from the Memorial funds.

**Evangelism** – promote participation in God's Work Our Hands on September 10<sup>th</sup>.

**Fellowship** - \$250 Thrivent gift cards were received for the Senior Appreciation Luncheon & Pastor Dan's installation.

**Property** – Shed has had much progress & overhead door will be installed next week. Jake Kaderabek will be completing electrical work. They have had some great helpers who have donated their time. Maintenance needs in the future to provide awareness: parking lot repaving, Fellowship Hall carpet replacement, window replacement in Fellowship Hall & offices, kitchen retiling – He received a quote of \$6,200 to remove and install new commercial tile or \$5,500 for installation of new commercial tile if we remove existing tile ourselves. In September the HVAC system will be inspected.

**Christian Education** – Sunday School & Confirmation letters will be going out to families involved. Larry is adding a topic of Martin Luther & Lutheranism to the 9<sup>th</sup> grade Confirmation class curriculum. First Communion for the 4<sup>th</sup> grade is scheduled for October 15<sup>th</sup> (9 students). Sunday School students are not scheduled to sing for church services until Christmas, other than joining in on the 5<sup>th</sup> Sunday sing a-long.

**Youth and Family Ministry** – Mini-golf and ice cream social went very well. Fall event on October 14<sup>th</sup> – potentially golfcart rides or another local event. Erin reported on a thank you note she received from the Onkka family regarding the playground set. John and Susan appreciated being kept up-to-date and were pleased with how the donation was used. Highway cleanup is scheduled for September 10<sup>th</sup> during God's Work, Our Hands. Lefse making November 10<sup>th</sup>. Shoreline restoration project may be in the works. Walk through Bethlehem may be done in the sanctuary during a worship service 12/6 & 12/10, since the amount of work to set this event up was outweighed by the attendance.
