Children of Faith Lutheran, Families, and Friends:

Sunday School is back! We would like to invite you all to another fun year of Bible studies for our children ages 2 (potty-trained) through 6<sup>th</sup> grade. This year Faith Lutheran will offer both in session Sunday School and at home Family Faith Kits for those who choose not to attend in person due Covid-19. If Faith Lutheran Church services or Valders Area Schools discontinue in person meeting, we will postpone in person Sunday School classes as well.

**For those attending in person:**

Our first day of class will be September 20, 2020.

- 9:00 am- Join us for worship as Sunday School students entering grade 3 and grade 7 will be presented with a new Bible during the service.
- 10:15 am- Please bring your Sunday School Student(s) downstairs to Fellowship Hall to meet their teacher. From there the teachers will show students and parents where the student's classroom is located.
- 11:15 am- Regular Sunday School dismissal time. Please pick up your child at his/her classroom.

The following precautions have been taken in our classrooms:

- Hand sanitizer will be provided and encouraged.
- Social Distancing will be utilized in the classrooms
- Per the State Order, masks are required (except under the age of 5)

**For those who would prefer to learn at home:**

Pick up a Family Faith Kit from the church office or contact Faith Lutheran at 775-4141 to have your kit delivered to your doorstep. Each kit will contain a family activity that connects to a Bible Story that can be read together at home. Guiding questions to encourage discussion of how to live our Faith at home and how the story is connected to our daily lives will be included.

**Whether you plan to attend in person or to use the Family Faith Kit, please complete the enclosed registration indicating your preference and mail it or drop it off in the church office by September 4th.**

We understand this is a year of uncertainty, but we know for certain that now more than ever, our children need to be able to lean on their faith. We look forward to a year of learning and understanding how God is working all around us. If you have any questions or concerns, please feel free to contact us.

Please note you do not need to be a member of Faith Lutheran Church to attend Sunday School. Feel free to invite the children of your friends and family to attend with your children. This is a great way to build a better community. All are welcome!

God is good!
